BT-HS 12 Car Hammer Screwdriver 12 V

Art.-No. 20.483.00

The handy and powerful hammer drill for motor vehicles is designed for universal use. Connected to a vehicle's 12 V circuit through the cigarette lighter socket the BT-HS 12 is ideal for changing wheels during a journey. For vehicles which have no cigarette lighter socket the BT-HS 12 comes with an adapter cable for direct connection to the 12 V battery. The Hammer drill is supplied complete with four drive socket inserts in a plastic case.

Features

- 12 V hammer drill (forward/reverse) with 12 V cable for connecting to a vehicle's cigarette lighter socket (1)
- Set of four drive socket inserts size 12, 19, 21 and 23 mm (2)
- Adapter cable for connecting directly to a vehicle's 12 V battery (3)
- Plastic case
